

Dear Parents/Guardians

It is with great pleasure that we write to you at this point when we are closing this term. We have had several events in the nursery this term. Apart from our normal classroom lessons we had a Career Day, trip to KIA, visit to Kusewera and our Annual Sport Day. All these events were a success and well enjoyed by the learners.

We also had representatives from other schools visiting our nursery to learn from us. This has been a great and welcome development on our part as it shows that our systems are good and are noticed far and wide.

We would like to acknowledge the co-operation and support you have rendered to us throughout the term. The term has been wonderful and a success because of your commitment to the school and to your children.

We would like to give a special vote of thanks the parents who came to the Sports Day and for the donations that were contributed towards cheering the sick at Kamuzu Central Hospital. These efforts are not taken for granted.
